

OFFROAD THUNDER™

27" and 39" DEDICATED VIDEO GAMES MANUAL AMENDMENT

Make These Changes

The following tables update the *Offroad Thunder* manuals, parts 16-20035-101 (27") and 16-20041-101 (39").

Please make these changes to the following pages of **both manuals**:

Page	Description	Notes
3-12	System Audits menu	Final menu line is cut off. It should read "FREE CREDITS".
4-15	MagicBus Interface Board Switches	Switch S1-7 must remain OFF. The ON position should be labeled "USB mode". USB mode is not supported, and is for factory testing only!
4-15	MagicBus Interface Board Switches	Switch S1-8 positions are reversed. OFF position should read "Watchdog Enabled", and ON position should read "Watchdog Disabled". Default position is OFF.

Please make these changes to the following pages of the **27" manual, part 16-20035-101**:

Page	Description	Delete Part Number...	New Part Number
7-11/12	Red Pushbutton	20-9663-22	20-10672-1
7-11/12	Amber Pushbutton	20-9663-23	20-10672-2
7-11/12	Yellow Pushbutton	20-9663-24	20-10672-3

Please make these changes to the following pages of the **39" manual, part 16-20041-101**:

Page	Description	Delete Part Number	New Part Number
4-3	Power Wiring Diagram, "Pedestal Cabinet Line Voltage HARNESS"	H-23388	H-23388.1
7-10/11	Red Pushbutton	20-9663-22	20-10672-1
7-10/11	Amber Pushbutton	20-9663-23	20-10672-2
7-10/11	Yellow Pushbutton	20-9663-24	20-10672-3
